## **Safety**

---

In general, the island is very safe with minimal crime so feel free to walk around and enjoy the nearby beaches, shops, bars and restaurants. While crime / theft is rare, we do not recommend walking alone or off the main streets after dark or leaving valuables in rented vehicles and suggest the use of your in-room safe located in your closet for storing valuables when leaving the room.

## **Drinking Water**

---

The tap water in our resort and at all the restaurants on the island is safe to drink.

## **Sun Exposure**

---

We strongly recommend the use of protective sunscreen to prevent your vacation being adversely affected by a burn.

## **Rain**

---

Rain is minimal on the island and if it does rain, don't fret, as it will usually clear up within a few hours. Umbrellas are available at the front desk.

## **Sand Fleas and Mosquitoes**

---

If mosquitoes find you appealing, we strongly recommend the use of a mosquito repellent. It is also important that you use our outside spray shower conveniently located to the East of our lobby entrance to wash off any sand you have brought back from the beach; children's play area or smoking zone to minimize the effects of the sand flea bites. Guests who are prone to bites should also avoid sitting close to bushes or shrubs, either around our resort or at restaurants. Also, avoid sitting directly in the sand.

## **Internet**

---

The hotel is equipped with Wireless Internet in all our guest rooms as well as in the lobby and bar area. The password is written on your room key pocket.

## **Ice**

---

Ice machines are on the second and third floor of each building (south end).

## **In-Room Safes/Security**

---

Digital room safes are located in the closet of each room. Although Turks and Caicos is considered one of the safest of the Caribbean Islands, the resort does provide on-site Security Services from dusk till dawn.

## **Housekeeping**

---

Rooms are cleaned daily from 9:00 am till as late as 5:00 pm. In the event that your room has not been cleaned by 4 pm or you require additional linens or supplies, please notify the Front Desk. As per hospitality standards, bed linens are changed every guest turnover and every three days thereafter. If you desire or need your sheets to be cleaned within this cycle, please notify the Front Desk before 9 am. Used towels left on the floor will be cleaned daily. We would appreciate your assistance in helping us conserve energy by hanging used towels that do not require washing on the hooks provided.

## **Water and Electricity Conservation**

---

The cost of water and electricity is extremely high on the island. We request your cooperation in conserving use by turning off the TV and all lights when you exit the room. The air conditioner thermostat in your room senses movement to keep your room at the set temperature. If you are asleep and not moving or leave the room for a few hours during the day, the room may warm up but will quickly cool down as soon as the AC senses any movement. No short-term adjustment is necessary.

## **Laundry and Dry Cleaning**

---

A washer and dryer for guest use is located at the rear of the west wing. Tokens and detergent are available for purchase at the Front Desk. Dry cleaning and alterations are available at the nearby Pioneer Cleaners outlet just south of Graceway Gourmet (approx. a 2-minute walk from the resort).

## **Towels, Clothes, Bathing Suits or Wet-Suit Drying**

---

As each bathroom is equipped with robe hooks, the hanging of towels or other items over a balcony, on hallway railings or on room furniture or shutters is prohibited. Diving / kiteboarding gear or other large equipment that can damage or mark the walls is not allowed in the rooms.

Feel free to bring your deli food back to the resort, warm it up in our breakfast area microwaves and enjoy by the pool or bar. Complimentary shopping carts are available at our Front Desk.

---

Please consider that the airport is approximately a 15-minute drive from our resort plus any time required for gassing up your rental vehicle, returning the vehicle, etc. Please provide the Front Desk sufficient time to arrange a taxi if required.
